

## **BOLT's 20-Year Limited Warranty**

Artesian Home Products, LLC manufactures BOLT Gutter Guards and warrants the material to not split/crack due to winter cold or to not burn or support combustion due to summer heat as it is fabricated from galvanized steel and stainless steel. Artesian Home Products, LLC reserves the right to change this warranty at any time, but all warranties in effect at the time of warranty change will not be affected by any changes and will remain in effect until their expiration.

### **BOLT's Product Warranty**

Artesian Home Products, LLC warrants to you a 20-year transferrable warranty from the original date of purchase, when installed in accordance with our specifications, that BOLT gutter guards are free from defects in material and workmanship in the course of manufacture and that the finish on the Product will not chip or blister under conditions of ordinary wear. This warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this warranty. This warranty covers only genuine BOLT products from Artesian Home Products. It is the customer's responsibility to verify that BOLT gutter guards were installed.

### **BOLT's Performance Warranty**

Artesian Home Products, LLC warrants that BOLT gutter guards will never allow your gutters to clog or overflow due to debris accumulation in the interior of your gutters. This warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this warranty and when installed in accordance with the BOLT product specifications.

### **Conditions**

We reserve the right to discontinue or change any design or color of any of our Products at any time without notice or liability. If, for any reason, the BOLT type originally installed is no longer available from us at the time you make a warranty claim, we may substitute another product determined by us to be of comparable quality and price.

There are no warranties on BOLT products other than as set forth in this warranty. We are not liable to you for a breach of any other written or oral express warranties, such as those, if any, given to you by installers, dealers, contractors, applicators, or distributors of BOLT products.

Due to normal weathering, replacement Product may differ in gloss or color from the Product originally installed. We exclude and are not responsible for any consequential or incidental damages arising out of any breach of this expressed warranty, or any other oral, written or implied warranty that may apply to your purchase, as it relates to our gutter guard. This is your exclusive warranty and is in lieu of all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, and some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. The obligation under this warranty will in no event exceed the purchase price of the originally installed Product found to be defective. In the event that we choose to replace the gutter guard, we will only be responsible for providing material and not the cost of labor to install or shipping costs.

Artesian Home Products, LLC is one of the best performing deferring mesh gutter guard on the market today. In most cases, rainfall alone is sufficient to keep it clean, but there may be some instances where cleaning/maintenance will be required by the homeowner. Light winds should remove most surface debris (due to the raised Z-shape mesh and installation angle), but if debris is wet or compressed, higher winds may be required to effect shedding. We recommend occasional homeowner maintenance of the gutter guard (see the BOLT maintenance procedure available on line at [www.boltgg.com](http://www.boltgg.com)).

### **EXCLUSIONS/LIMITATIONS**

This warranty does not cover -

- Harmful chemicals exposure
  - Product being used for unintended purposes or in an inappropriate manner
  - Panel removal
  - Excessive heat
  - Mold or mildew accumulation
  - Contact with dissimilar materials
