Paint and Stain

Our vast selection of paints and stains will not only last for years to come, but also give your door a vibrant appearance. Aside from paints, we also offer woodgrain stains.

If you would like us to paint your entry doors for you, we will gladly do so! Pick a color for the exterior, and/or an interior color.

If you would rather apply your own paint or stain, simply order your door primed.

Casing

Create a classic finished aesthetic with our casing options.

Both colonial and modern casing options are available in all stains (see above).

Note: Stain colors are shown on fiberglass. Stain on steel may vary in tone. Colors shown may not be accurate to actual surface.
**Premium Hardware**

Our timeless and stylish hardware designs will add elegance to your entry door, increasing curb appeal of your home. From doorknobs to locks to handle sets, our hardware is both aesthetic and functional.

Gain peace of mind knowing it takes more force to break through our premium locks versus standard locks. Unlike standard grade hardware, top grade brass never corrodes or rusts.
