STYLE MEETS DURABILITY

“

Everyone that I spoke to at Universal Windows Direct was friendly and courteous. The installers were superb! I couldn't be happier with how my new entry doors look.”

– Alice R., Charlotte, NC

You'll Be Saying,
"I Love my Doors!"

Dear Home Owner,

Thank you for considering Universal Windows Direct for your home remodeling needs. Since 2002, it has been our mission to provide the highest quality home improvement products, and installation, to the homeowner at the absolute best value possible. We back all of our products by our industry leading warranties, and we treat all of our customers with the respect and attention to detail that we would give our own family members. At Universal Windows Direct, we have entry doors that can fit into any budget. Our trained representatives will guide you during your decision making process to find the perfect entry door for your home. And don't forget, we offer a variety of other high quality products, including windows, vinyl siding, roofing, gutter protection and more. So experience for yourself why over 35,000 satisfied customers are saying, "I love my new doors!"

Sincerely,

A handwritten signature in black ink, appearing to read 'W. Barr'.

ENTRY DOOR MATERIALS

“Very professional staff. The door we purchased was installed in a timely manner. I would highly recommend this company.”

– James C., Columbus, OH

Fiberglass

Fiberglass entry doors offer the most advanced, highest quality fiberglass available on the market.

- ❶ *Strong, rigid polyurethane* foam core.
- ❷ *Fiberglass reinforced skins* are resistant to dents, splintering, and corrosion.
- ❸ *Engineered Composite Bottom Rail* prevents moisture from seeping into the door.
- ❹ *Auto-adjusting threshold* forms tight seal.
- ❺ *High Performance Weather Stripping* further strengthens and weather-proofs entry door.

Steel

Steel construction offers strength and durability to your home. Choose steel and give your family the comfort of the best security rating in the industry.

- ❶ *Strong, rigid polyurethane* foam core.
- ❷ *Weather strip* forms tight seal.
- ❸ *Auto-adjusting threshold* prevents drafts.
- ❹ *Steel construction* of both inner and outer sheets offer strength and durability.
- ❺ *Patented adjustable hinge plate system* ensures proper alignment and seal.

Maximize Peace of Mind and Pride of Ownership

Feeling confident that your family is protected is a great feeling. That's why our doors are crafted with safety and security in mind.

Entry door hardware utilizes metal gears instead of plastic.

Entry door hardware offers 90 minute fire rating.

Alaskan Yellow Cypress jamb is durable against rot and insect resistant.

Steel reinforced strike plate in jamb offers superior strength.

100% maintenance free, saving you time and money.

Unlike standard brass hardware, ours will never rust or corrode.

DOOR SERIES

Your Door makes your Home's First Impression

When it comes to an attractive home, entry doors make all the difference. Choose from our various steel and fiberglass door series to provide maximum protection and curb appeal for your home.

CAMBRIDGE *(Smooth Steel)*

Cambridge smooth steel doors are designed for strength, security, and durability. This premium, insulated door system is constructed with a full steel-edge perimeter that offers additional strength and the industry's highest security rating. Available in 45 paint colors and custom paint colors.

NORWOOD *(Textured Steel)*

The warmth of wood meets the strength of steel with the Norwood series. These textured steel doors are constructed with a deeply embossed Oak grain surface. Available in 11 woodgrain finishes, 45 paint colors, and custom paint colors.

TRUGRAIN™ (Woodgrain Steel)

Trugrain doors combine the natural, timeless look of wood with the strength of steel. These doors are constructed of 22-gauge steel with a scratch resistant coating that replicates a realistic wood appearance. Available in Ludington, Holland, Rockport, Brimley.

TIMBERLINE (Smooth Fiberglass)

The Timberline smooth fiberglass door series is designed with energy and thermal performance in mind, while providing depth and dimension to your entryway. Available in 45 paint colors and custom paint colors.

TIMBERLINE (Textured Fiberglass)

Timberline textured fiberglass doors replicate the look and texture of real wood doors. They are designed with energy and thermal performance in mind, while providing depth and dimension to your entryway. Available in 11 woodgrain finishes, 45 paint colors, and custom paint colors.

TIMBERGRAIN (Fiberglass)

Timbergrain fiberglass entrance doors offer the warmth of wood and its natural characteristics in five different species:

Knotty Alder, Mahogany, Cherry, Fir, and Oak.

Available in 11 woodgrain finishes, 45 paint colors, and custom paint colors.

OPTIONS AND UPGRADES

“

The installation crew was very professional and totally knew what they were doing from the time they arrived. We plan on doing more home updates with Universal Windows Direct."

– Kevin D., St. Louis, MO

Trilennium® Multi-Point Locking System

Reliable Security

Operating as one, all three bolts engage when the door is closed. One movement of the thumb turn or key activates all three deadbolts. When activated, each bolt becomes a deadbolt that cannot be compromised.

Peace of Mind

Delivers the strength of one solid locking unit combined with the protection of three deadbolts.

Panic Release

A single downward turn of the interior handle releases all three of the deadbolts.

Terms and Conditions

We proudly back our products with an outstanding warranty service, even long after the completion of the home improvement project. Warranties from Universal Windows Direct are 100% non pro-rated and 100% transferable to a subsequent homeowner for a period of 30 years. Before contacting us about warranty replacement, please be prepared to provide a detailed explanation of the damaged product. Please note that the True Lifetime Warranty does not include defects resulting from abuse, misuse, neglect, vandalism or acts of nature. In the event that defects in the product appear within the warranty constraints, no service costs will ever be charged.

Should you find yourself experiencing defects with any of our products, please don't hesitate to reach out to us. Our committed team is ready to assist you to the best of our abilities.

We thank you for choosing Universal Windows Direct for your home improvement needs and look forward to doing future business with you.
